

**U.S. COAST GUARD AUXILIARY**  
**District Eleven North Region**  
**DIVISION COMMANDERS REPORT**

To: Wally Smith, Commodore

10 Feb.2018 (date)

**District 11 North Region**  
**United States Coast Guard Auxiliary**

**HIGHLIGHTS:**

1. Flotilla Goals
2. Detachment Rio Vista
3. Division Goals
4. NBSW and Chairman

**DETAILS:**

1. 10-02 is trying to get more members active, land mobiles , and workshops. They have several PA> events scheduled and working on P.E. classes 10-02 had to cancel their COW which will be held at their meeting Kids Matter is May 19<sup>th</sup> and they have ask us to take part again this year. NSBW chairman Nick Patterson has several events set up for NSBW with agencies taking part 10-05 has two new members and events scheduled for NSBW at the Naval Station. 10-06 has been talking to several new prospects and working on getting them into the unit. Looks like a Good Year
2. Detachment Rio Vista getting started has been hit with the contact person beening involved in other functions and then have surgery with a long recovery time He is going to send the list of the others who want to become Auxiliary members in a couple of days
3. Revised the Division goals after sending them in. With retirement of some of the top BRS and VE personal we are going to try and fill the gaps they are leaving behind Did very good last year on our goals over on some short on others. Hoping to do better this year
4. NDSW chairman has already starting working on getting events scheduled and talking to city and county to take part of the event The state has said they will have PFD's and boater kits for us. Will up date as we have more information to pass on

**PROJECTS:**

1. Training for the OPTREX in September with a training weekend in April at one of the lakes in the south part of the Division
2. A event on the 17 of February at West Marine in Stockton

**AGENCY INTERACTION:**

1. County and City peace officers, Park rangers, Army corps of engineers

**GOALS AND OBJECTIVES:**

To get as many of Division 10 members to D train and other function as we can
