DETAILS:

1. All Flotillas had vessels out for the 4th of July Fireworks and they are preparing for the many events that are held on Lake Tahoe, like the Stand Up Paddle Board race, and the Trans Tahoe Swim.
2. Each Flotilla has members who will be requalling at our Optrex in August. There are several patrols that will allow them to work with each other.
3. Due to the last start on Summer, many members are continuing to complete their VSCs.

PROJECTS:

1. Six members have completed their PQS and initial verifications to become qualified Aid Verifiers.

CHALLENGES/OBSTACLES (3 Downs”):

1. With a smaller number of Operational Facilities, it will be difficult to cover all the activity on Lake Tahoe.
2. Getting everything ready for the OPTREX and everyone ready that needs to qualify.
