Modesto has not said when they are having their COW
2. Modesto Flotilla has not filed a report on their actives. Stockton was requested by the American Legion and VFW to provide a boat from the December 07 Event. It was attend by several members of the Flotilla. RBS and VFE are still be done but it has slowed as the Boating season is closing down for the year
3. The weather and the possible of a Government shut down has limited the boat patrols from the month.
