

Staff Reports, Div. 5 February 2019

CM report for February.

51, Mike Ungersma conducted 20 hours watchstanding at CG Vallejo

52 No FSO MC

53, Bob reported no activity

55, Herb Hoenser reported no activity, however 55 is planning on a Telecommunication Operator class in the near future. If you have any person interested in attending, please get in touch with Wil Sumner.

Ray Van Cleave has put in 60 hours at Petaluma TRACEN in security watchstanding.

57, Wayne reported no activity.

District DSO-CM is looking into using the ACV "Aux Communications Vehicle" for emergencies such as the Camp or Sonoma Fires to support FEMA or OES (office of emergency services).
see below

I would like to see the ACV utilized for incidents, but there are several things that need to happen prior to the ACV being put on orders for an assignment.

1. The radio installation needs to be completed. Radios were ordered and are/were in DIRAUX's office, but I haven't seen the list of the actual purchase. This shouldn't take long; antennas are in, power is ready, the radios need to be programmed.
2. Our only capabilities for the ACV's radios are VHF (136-174MHz) and MF/HF (2-30 MHz). The MF/HF radio will be programmed to work with federal, regional and state emergency management agencies for long range communications. We have no current plan to add UHF (380-512, 700, 800 or 900 MHz) radios.
3. Acquiring a "team" to support shift work may be problematic in finding enough operators along with a leader willing to be deployed for a possibly long duration.
4. While there is usually an incident base with all means of logistical support (meals, fuel, laundry services, supplies) available, lodging is another issue. An incident of the magnitude of the Camp Fire quickly occupies motel rooms in an area plus evacuees taking up the rest. Reimbursement via travel claim may work for shorter duration, but long-term deployment can place a hardship on members. An acceptable alternative could be a (class)room and locker room or similar for rest and personal hygiene needs.

I will absolutely support the ACV's deployment but the items above should at least be brought to the attention of those who may request our resources. I don't know if we need to have an MOA/MOU in place. Perhaps Bruce can shed some light on how it all works. I don't like to throw my friends under the bus, but the actual process seems to fall under IM.

Respectfully Submitted SO-CM

District News from the Commodore:

TCT: all appointed staff officers, elected officers, Operations and Food Services must take TCT this year (first part is online GAR 2.0). Jim Blackburn is certified for the new TCT program.

D-Train: The flyer for D-Train was sent to all members. Friday night is Fun night – the theme is Western so dust off those cowboy boots!.

Commodore emphasized RECRUIT, RECRUIT, RECRUIT, RETAIN. We need mentors, introduce yourself, help with the process. Those that did not stay in THE Auxiliary said things like they felt we were unorganized, they were left alone, they asked questions but did not get answers, mtgs were boring, too long, etc.

Tom Sarnicola: Their Flotilla created a checklist for mentors. He took his new recruit with him to CGI – it was a great experience; Steve Johnson has 2 mentors – Jim Blackburn and Tom Sarnicola; without them it would have been harder. MENTORS ARE CRITICAL

Steve Johnson: Let him know if we want a guest speaker, to have an event, more training – we can use the second half of the meeting for this. Snack list is circulating – sign up and show up! We all appreciate it.

If anyone has a member in IQ status, there will be CORE training for AUXCT Sat 8:00 CA Maritime Training - 7 hr to cover 7 courses.

Members celebrating anniversaries in the Auxiliary

Ray Van Cleave - 16 yrs in Jan.

Doug Twitchell - 8 yrs in Jan.

Mike Ungersma - 17 yrs in Feb.
Gary Murray - 15 yrs in Feb.

FLOTILLA 51 – Michael Ungersma, FSO-MT Nothing to Report for January, 2019
 FLOTILLA 52 – Glenn Hunter, FSO-MT Continued working on planning for FL 52 member training activities. Planned for February – Dockside Crew Training after Flotilla meeting on 2/16/19
 FLOTILLA 53 – Stephen Cramer, FSO-MT Nothing to report for January, 2019
 FLOTILLA 55 – Wil Sumner, FSO-MT Priorities for this year are to make sure that the new members complete both their mandatory training and TCT. Next is to prepare those OPS personnel for the Spring OPTREX. I will be working with Sue Fry and the Divisions on assisting members get their Marine Safety Training Ribbon, which means offering classes for MSAM and MEES. Next is to survey our members for their training needs and get this training started. For instance I am mentoring John Teague on getting qualified as Commercial Fishing Vessel Examiner (CFVE) and hope to get at least one other trainee from Division 8, so they can work in the Eureka area. Finally, I have asked David Stapp to generate a management report for those members getting close to REYR status. Then, will approach those members to get them underway in training.
 FLOTILLA 57 – No FSO-MT on staff. No Report Submitted.

FLOTILLA COMMANDER REPORT (Commander Steven Johnson)

Flotilla 51: HIGHLIGHTS of "3 UPS 3 DOWNS":

1. In light of the government shut down, we donated to USCG Station Vallejo 35 Safeway gift cards of \$25.00 to each enlisted person there. The station expressed deep gratitude for our help.

CHALLENGES/OBSTACLES/OPPORTUNITIES:

1. Due to Valentine's Day falling on Feb 14, Flotilla 51 has rescheduled our meeting for Feb 21.

GOALS AND OBJECTIVES:

1. Initiate recruiting campaign to gain new members.

Develop incentives to increase member attendance to flotilla meetings and events.

Respectfully Submitted: Ron Nathan, FC 51

Flotilla 52: Did meet in Jan (first Sat). 2 new members – paperwork has been submitted.

Respectfully Submitted: Tom Sarnicola, U.S. Coast Guard Auxiliary FC Flotilla 52

Flotilla 53: HIGHLIGHTS:

2. Membership
3. Boat Crew & SO Training
4. PA, PV, VE, Qualifications
5. Flotilla SO Appointments
6. Flotilla Financials

DETAILS:

1. We are still in various stages of processing membership submissions of the remaining potential members. All disenrollment's have been fully processed for the year 2018.
2. Due to IPFC/VFC Derfuss and Randy McCormick's push, we have had continued success with a training plan to aggressively train Boat Crew, and SO Members and will continue to do so as the year progresses.
3. Kit Galvin was successfully qualified as Instructor, PV, VE though there were issues with input verification. Kit Galvin also completed training for PA and a waiver was submitted and accepted appointing her to the vacant FSO-PA position as well. An MT-2 was submitted for re-certification of Steven Cramer for qualified VE
4. Glenn Marshall was officially sworn in as FSO MA at the meeting.
5. 2018 Financials were gone through and signed and certified by me.

PROJECTS: None at this time

1. **CHALLENGES/OBSTACLES/OPPORTUNITIES:**

During our 1st Flotilla meeting in January we had a small snafu of lack of access at the Suisun Yacht Club, the decision was made to meet at the nearby Big Bear Dinner. DCDR Steve Johnson was present, Steve thank you for attending. The meeting came off without a hitch, a big thanks to the Restaurant Staff for accommodating us on a moment's notice. Congratulations to all Flotilla Staff Officers for stepping up and for their support and leadership. Also thank you flotilla membership for this opportunity to lead you into 2019, it

looks to be an interesting new year.

AGENCY INTERACTION: None at this time

GOALS AND OBJECTIVES:

1. Increased membership
2. Working on qualifying members in all areas needed and working on program activities towards our goals. We will seek other Training Opportunities and work towards getting more members and having them Qualified in the various programs.
3. Complete training, requalification and initial qualifications as needed for those in need for year 2019.

Respectfully Submitted: Mark Waters, FC 53

Flotilla 55: Not present – San Rafael Bridge was shut down due to damage making it difficult to travel to meeting.

Flotilla 57: Did meet in Jan. Challenges: need help from other flotillas. All of FL 57 coxswains are ReYR this year. A new transfer member, Bryan Scott, has stepped forward to be the VFC. They are going through the election process now. Dues: some areas on the east coast have raised dues to \$100 and then reduce it to \$60 after 20 hours are inputted to AUXDATA.

Respectfully Submitted: Ryan Peterson, FC 57

Nothing to report for the AUXFS Program this month. Things will pick up in March.

Respectfully submitted: Gary Murray, SO-FS

OLD BUSINESS: None

NEW BUSINESS:

Steve Johnson regarding submitting reports:

1. FSOs send their monthly reports their SO.
2. SOs send monthly reports to Ingemar Olsson, VDCR, and Kit Galvin, SO-SR.
3. FCs send monthly reports to Steve Johnson, DCDR, and Kit Galvin, SO-SR.

Randy McCormick: The **Annual Golf Tournament** had 46 participants this year. A special thank you to Tom Sarnicola who chaired this event. This is a charity event and the funds go to the Coast Guard Stations and the participating flotillas. A certificate of award with a \$100 check were awarded to Flotillas 51, 53 and 57. A certificate of award with a \$200 check was awarded to Flotilla 52 for having the *most* participants. Most of the money is raised through the auction, not the tournament.

Swearing in of new officers not present at CoW: Randy McCormick, Steve Johnson

Katelyn Borger – SO-DV Bob Galvin – FSO-CM (FL 53) Wade MacAdam SO-CS

Comments from members: Applause

Comments from Past Division Commanders: Randy McCormick: Nice job; good meeting; good information sharing; appreciate all the participation and collaboration. Jim Blackburn – Good meeting and I thought you ran it well. Tom Sarnicola – I'd like to welcome our new members in. I like the fact that we all share our ideas, we use emails, work together. Bob Gallup – first time I met here was 34 yrs. ago. There are 2 members in Ops coming here longer than me but they are not here tonight; good information shared; we have been having our meetings here forever.

Additional conversations

Steve Johnson: Thanked Bob Gallup for his service of 34 years. He also thanked the past division commanders for stepping up and running this division so well. Those are big shoes to fill.

Jim Blackburn: Remember the deadline to register for D-Train and room reservations is coming up soon. There is special room rate for the auxiliary. It is on the District website under the calendar events.

Ron Nathan FC-51: Their flotilla meets at 7:30 on the second Thurs of the month. All are welcome.

Steve Johnson: Our Commodore has asked that we get away from "Report on file – end of report." The oral report should be 1-2 minute summary.

Ryan Peterson FC-57: Asked if there is a recommended meeting structure to follow. Does anyone have a working framework for meetings? Suggestions included having guest speakers before the reports when appropriate; using the second hour for training; having a break after FSO reports and before FC reports and old business; socialization time before meeting; adding short break (for refreshments if available). Tom Sarnicola said his flotilla uses a binder with old agendas, bylaws, and such to pass on to the next person who fills the position.

Steve Johnson: had hoped to fill the room with FSOs so they could have a meet & greet with their SOs and have SOs go over a game plan to get more people involved in our programs. Help us work as a team. Our DCAPT, Jerry Edelen (Monterey), called and asked what can he do to help with recruiting, retaining and mentoring. He encouraged us to consider the idea of using a banner or sign at our PA events or booths. The sign has worked for

other areas and worked well. Ron Nathan (SO-PV) and his staff will work on this. PV and PA need to work on this. Sign idea:

SNACKS for March: Kit Galvin, SO-SR

Motion to adjourn and seconded: Meeting adjourned at 2128

Next meeting: March 7, 2019, 7:00 PM

AMENDMENT: Jim Blackburn - regarding TCT REYR: Jim is now certified to teach the new TCT class. He will be presenting the class at PSU (Port Security) San Francisco. It will be March 2 at 8:00 AM. He will find out if there will be limitations due to room size. Last time the room was too small - they expected 30 and got 85. They did not have enough chairs for everyone. PLEASE CALL JIM AT (925) 250-4461 SO HE HAS A HEAD COUNT.

SO-FS report

1. Station Rio Vista gas asked us to cook for them.
2. Air Station San Francisco has asked us to do there Change of Watch coming up.
3. At DTRAIN there will be a 2 day course to help qualify to become a FS.

As we move forward there will be a lot more going on for us.

best, Gary Murray
