RE: Division Report – March 2021  
DATE: April 15, 2021

**HIGHLIGHTS**

1. Division Meeting
2. State Boats

**Details**

1. Division Meeting – Held our monthly meeting with input from the Flotilla Commanders and Staff Officers. Working towards our goals.
2. State Boats – Received notice that we will only have at this time 2 boats from the state (previous years we have had 4). These boats will be located at Bear Lake and Jordanelle at this time. We have flotillas working towards trying to get more members with boats to help support our locations.

Short and sweet but our season is just about to begin. Water temperatures are in the high 50's and temperatures vary.

Respectfully submitted
