Surface Operations

The Coast Guard's philosophy is to be *always ready* (*SEMPER PARATUS*) against all threats and all hazards. The Coast Guard Auxiliary has been an integral part of that philosophy, and Division 1 with its four flotillas located in the City and County of San Francisco, Marin County, and San Mateo County has served the San Francisco Bay Area community since its establishment in 1941 and is considered the oldest division within its district, hence its namesake, the Senior Division.

Our division is comprised of a diverse group of Auxiliarists from across the Bay Area who are committed to the Auxiliary's Four Cornerstones: Member Services, Recreational Boating Safety, Operations and Marine Safety, and Fellowship. Our members conduct surface safety patrols in San Francisco Bay and the nearby Delta, perform commercial fishing safety examinations and free vessel safety checks for the public, assist the Coast Guard with homeland security duties, teach public education classes such as boating safety courses, and many other activities.
