

Division 8 Report for August 11, 2021

We had our Division Meeting via Zoom on July 14, which was preceded by the Workplace Resilience CT module.

Flotilla 87 lamp room cleanings at Point Cabrillo Light Station continue as do support operations at the Point Arena Light Station helo spot fuel farm.

Flotilla 88 is continuing with RBSPV, PA and Surface Operations activities. We have one boat currently available, and that has been taking crew and trainees out on Lake Berryessa. Clear Lake is no longer usable and all boat ramps are closed.

Flotilla 8-11 is still looking for a suitable yet affordable boat and personnel are coming into compliance with risk management training requirements, or so I've been assured.

Flotilla 8-39 is conducting moonlight kayak patrols with NPS at Whiskeytown Lake and regular MOM patrols. The Flotilla was recognized by the National Park Service for their excellent support operating marine patrols on Whiskeytown Lake.

Commodore Maddox has accepted appointment to Election Committee Chair. Dues are being solicited.
