SIERRA DIVISION 11 COMMANDER'S REPORT

To: DCO Curtis Han, D11NR
Cc: District Board and Staff
Date: June 2023 Report
DCDR: Guy D. Chism DCDR

HIGHLIGHTS:

Division meeting in May was a great success. With support of PF Chang's in Reno, we had a great awards ceremony, challenge coin and award ceremony to catch up on past awards and to finalize new leadership for Division. GREAT DINNER!! Photos attached

Projects:

1. Coffee with the Commander continuing with emphasis on meeting each member in person. These meetings supply candidates for Member of the month.
2. We currently have 5 recruits in various stages of the enrollment process

3. Full OPTREX scheduled for August 25-26 for Lake Tahoe
4. Boy Scout Training on Lake Tahoe May 2023 very successful event.

CHALLENGES / OBSTACLES / OPPORTUNITIES:

1. Given our short boating season we are full steam ahead to maintain member competency for boat crew and coxswains. We have 3 members currently getting themselves requalified and off inactive status.

AGENCY INTERACTION:

1. Northern Nevada Business Weekly has agreed to rerun a recruitment ad for us that worked very well in the past. We hope to get interest raised and new applicants.

GOALS OF DIVISION 11:

- Build relationships with flotilla members coming from Flotilla 11-04 to the gaining flotillas and new members.
- Goal for every member to qualify as Vessel Examiners. Emphasis on being actively engaged with the boating community. This is foundational to what we do and we have 3 natural lake jewels that make us unique.
- Goal to fully support Station Tahoe with Aux Staff.
- Aggressive Succession Plan for new leadership. We cannot continue recycling leadership.
