District 113

Subj: DIVISION 04 COMMANDER REPORT – February 2023

Highlights

1. New Members and Inquiries
2. Quorums not being met for Flotilla meetings
3. Spotlight on SO positions
4. Training in administration practices

Details

1. Flotillas 41 and 46 are onboarding a total of 4 new members. Inquiries from prospective members have also been on the increase.
2. Three Flotillas (43, 48 and 49) continue to have difficulty holding meetings due to lack of a quorum. There are 14-17 members in each Flotilla, but some live remotely and others are inactive due to health and/or aging. It is difficult to recruit for these inactive Flotillas.
3. “SO Best Practices” and “10-Minute Training Tips” will be offered at each Division meeting. These will be provided by the SOs to encourage their participation in the meeting and to train and support SO/FSO leadership.
4. With several newer members in elected office and as administration processes fell off during Covid, the DCDR/VCDR/IP-DCDR will offer information at Division meetings to support business practices.

Goals –These have several components to help meet them not offered here for brevity sake.

1. Maintain Division-wide collaboration by supporting Flotilla leaders through...
2. Increase engagement, and retention by...
3. Support Recreational Boater Safety and Develop Prevention leadership by...
