Subj: Staff Report - February 2018

Highlights

- ◇ CM workgroup at PCA was fruitful
- ◇ Radio equipment for ACV received

Details

- ◆ The communications workgroup at last month's PCA Fair was well-attended and many ideas were exchanged. We are looking forward to moving forward and more of these sessions, at least annually.
- ◆ About half of the requested radio equipment for the [Freightliner] ACV was received so we can start the installation process. Thanks to OTO Leavell and YN2 Gaudin for getting us that much. We'll keep working to get the rest of it.

Future Events

- ❖ Putting the ACV and Comms trailer in service
