From: Sue Fry, DSO-MS D11NR  
Subject: DSO-MS July 2018 Report for June Activities  
Date: 9 July 2018

## **CONTENTS**

### **DSO-MS Updates and Division/Flotilla activities**

#### **Ferry Vessel Audits**

#### **Commercial Vessel activities and upcoming trainings**

#### **IMD support & Prevention Training**

#### **Educational Opportunities**

#### **Local, State & National Agency partners**

### **DSO-MS updates, Division/flotilla activities**

Divisions' 1, 3, 5, 6, 8, 10, report some activity with AWW contacts, Clean Marina days for COW's or other events, and activity for the SCAT program, Dock walkers, Abandoned Vessel and various MEES completion of training requirements.

#### **Ferry Vessel Audits**

The ADSO reports 2 Audits were performed during June.

There will be individual training available for those who are interested in beginning the FVA program. Call Steven Johnson. ADSO-FVA

#### **Commercial Vessel activity**

##### **Commercial Fish**

Very light activity in this area at this time. Crab season dockside training will be held later in the year. Exams are scheduled as the operators request an exam through most of the year.

#### **Uninspected Passenger Vessels**

Michael Mitchell ADSO-UPV reports two exams were completed in June.

Domestic Inspection Dispatcher training is being completed by one member at this time.

#### **IMD Support & Prevention Training**

We are working with IMD to increase input to the data base for Abandoned/Derelict Vessels. The next meeting of the work group is scheduled for August in Hercules.

#### **Prevention Training for MS work groups**

We encourage all members active or semi-active in Marine Safety activities such as clean up events, SCAT program, FV Audits, Dock walkers, or other Marine Safety event or area to take the yearly TCT refresher or to take a 4 hour TCT class at least every 3 years. Be aware and work safely.
