2. Auxiliary Core Training (AUXCT) replaced Auxiliary Mandated Training (AUXMT). Appropriate changes to AUXDATA, the Auxiliary Learning Management System (AUXLMS), and related training materials to reflect this training program title change have begun.

AUXCT Course Changes: The Coast Guard recently completed several changes to its inventory of core training courses for its workforce. These changes affect the composition of AUXCT. Specifically:

a. The Building Resilience and Preventing Suicide in the Coast Guard course (502379) has been combined with the Sexual Assault Prevention/Response course (810045) into the new Workforce Resilience Training course (502379; NOTE – although carrying the same course code number, this is a new course that incorporates material from the now-defunct Sexual Assault Prevention/Response course). This new combined course is estimated to take about 30 minutes to complete, has a test-out feature, and retains its need to be completed once every five years.

b. The Influenza Training course (502290) has been deleted as an AUXCT requirement.

AUXCT Course Requirements: As a result of these changes, AUXCT is now comprised of the following repeatable and one-time courses:

a. Repeatable Courses: To be successfully completed by the end of the first full year of enrollment and then once every five years thereafter:
(1) Workforce Resilience Training (502379)*
(2) Security Fundamentals (810030)
(3) Privacy at DHS: Protecting Personal Information (810015)
(4) Sexual Harassment Prevention (810000)
(5) Civil Rights Awareness (502319)

* Auxiliarists who have yet to complete AUXCT because they had not completed the Sexual Assault Prevention / Response course (810045) must now complete the new Workforce Resilience Training course (502379). This holds true even if they already completed the Building Resilience and Preventing Suicide in the Coast Guard course (502379) because the new version now contains material from the old Sexual Assault Prevention / Response course (810045).

b. **One-time Courses:** To be successfully completed only once (new enrollees must complete them by the end of the first full year of enrollment):
(6) Ethics 1 / Personal Gifts (502306).
(7) Intro to the Incident Command System, ICS-100 (IS-100.b).
(8) Intro to National Incident Management System (IS-700.a).
And the recently added:
(9) Basic Qualification Course II (BQ II)**

** This AUXCT requirement only applies to Auxiliarists enrolled after February 1, 2018.

This upgrade will take place on July 21st and 22nd. During this time the system will be unavailable for use. Once complete, members will be able to access the training normally. All training records and history will be maintained.
