DSO-MS updates

There have been no updates in September coming from "National".

Divisions 1, 4, 5, 6, 8, 10, 12 have reported a variety of MS Missions, Dock Walker and AWW contacts, Ferry Vessel audits and training power point development, Coastal Cleanup Events, support for Fleet Week, course completions, 'Coastie' training.

Ferry Vessel Audits

Two auditors completed 5 audits during September, 4 members including the ADSO-FVA are working on a new and updated training powerpoint for the next PCA training.

The Sector Coast Guard is working on a Memo covering the FVA program.

Commercial Vessel

The Commercial Fish Examiners Refresher class will be held on Tuesday, 30 Oct, 0830 at CG Island.

The Dockside Exams will be in November 6th through 8th in all the San Francisco and Coastal Harbors with Commercial Vessels.

Uninspected Passenger Vessels

No Exams were reported for September.

IMD support & Prevention training

ADSO Sumner and SO-Div 10 Joseph Chavoen report an upcoming Work Group meeting organized by the POC at IMD/YBI will be held 24 OCT at 1000 at the CA State Lands Commission in Hercules. The agenda is open for topics at this time.

The following meeting will be the Pacific States/BC Annual meeting. Details will be announced.
