### **ANALYSIS**

- We have already completed more PE courses than any year since 2012, and the December numbers are not yet in! Congratulations to our Divisions, Flotillas, instructors, and everyone who makes our PE program possible (especially the FSO-ISs and SO-ISs who get those courses into AuxData!). Thank you.
- That said, that accomplishment still puts us only 12<sup>th</sup> in the nation (out of 16 districts) for course completions. A goal for 2019 will be to increase course

completions, even if flotillas are offering courses to only five students at a time. This should be attainable if flotillas make an effort to offer A Paddler's Guide to Safety, which is a high-priority, low-overhead course that can be offered in 20 minutes to two hours.

- Our national rankings stayed stable from last month, with a small improvement in PE enrollment, thanks to new data from Division 3!

### **UPCOMING EVENTS**

- See PE website for a listing of upcoming classes and events. Please see <http://wow.uscgaux.info/peclass.php?unit=113> for scheduled classes.
