FROM: COMO Vic Connell, ASC SF
RE: ASC-SF DEC District B&S Report

Sector SF has requested that the Auxiliary provide VSCs at Mavericks surfing competition again this year. The event is held off the San Mateo coast and is expected to draw many recreational vessels since on shore viewing of the event is limited. The event is typically scheduled on short notice sometime between 01NOV and 31MAR. DSO-VE has contacted local VEs in the area to plan support for this international event.

Sector SF has requested that the Auxiliary provide support to a planned public event commissioning of a new Coast Guard Cutter in February on CGI. DIV 12 has been tasked by COS with providing volunteers for this event. More specifics will be coming soon.
