Subject: Incident Management (IM) Report

- Asst EPLO
- COOP – Separate Report
- Everbridge Exercise Cancelled December
- ICS Qualifications Request

### **Asst EPLO Work**

Nothing to report; bimonthly FEMA meeting cancelled.

### **Continuity of Operations Plan (COOP) with Sector SF**

See separate report.

### **Everbridge Exercise December**

We will cancel December's exercise for the holidays! Thanks to you all for your responsiveness during this year's exercises. The next one will be an all-member call-out in January 2019.

### **ICS Qualifications Request**

At the request of National IM (Q Directorate) I sent out an all-hands request for ICS qualifications (not classes) from our members. Thanks to all of you who responded.

National subsequently pulled back the request and will figure out a different way to collect the information. Nevertheless, I have saved everything you sent me just in case.
