Follow up to meeting with Sector Prevention

On Dec 7, 2018, 'Sue Fry, Michael Mitchell and myself met with Sector Prevention to go over our Marine Safety Programs. The most important item on the agenda was the Ferry Boat Examination program was temporarily stopped as the Sector needs to clarify the line of authority. Due to the budget issues, Sector did not address this issue and has now requested the Auxiliary to put together a draft of the Scope and Authority for the ferry boat program. Steve Johnson, Glen Hunter and Thomas Sarnicola are currently working on this draft.
