Great Job as we are in Government Shutdown and training is a great way to continue to be ready.

2. D-Train Classes

Classes are scheduled and schedule is out. Please make sure to follow up with your members about attending. RM 2.0 has been approved and will be taught 2 times at 3 hours long. Please plan accordingly.

The two C-Schools that we were going to host DID NOT get cancelled, so they will be happening as well!

AUX-04 Computers/Website Wed-Friday

AUX-10 Information Systems Tues-Friday

PLEASE send in your STTR to DIRAUX ASAP so you can be entered into the sign-up system (that just opened since the budget was passed). In Section 22, please add: address, email address, position, why you want/need to take the class. You MUST bring a laptop to either class... more info to come if you get chosen. Let me know if you have any questions.. I don't want you to miss this great opportunity!

ALSO: COMO Maddox will be offering AUXNAV, including both exams (part A and part B)... let COMO Mary Kirkwood know if you are interested.. We already have 5 members signed up. Class will run Tuesday-Friday. Bring your plotting tools!
