VSC Questions

-These are actual questions from VE Exam Version "F" dated 2014. Answers can be found in another location in the report.

1. Inflatable Life Jackets (PFDs) are becoming more and more popular. You are examining a 22' stern drive vessel with two adults and two pre-teen children aboard. They proudly show you their four new inflatable PFDs, which are out of the manufacturer's original packaging. If everything else is okay, can you issue a VSC decal?

- a. No. Inflatable Life Jackets (PFDs) are not yet Coast Guard Approved so they don't count as acceptable for carriage.
- b. Yes, Inflatable life jackets are acceptable for anyone on board.
- c. No, inflatable Life Jackets (PFDs) are not approved for children under 16 years of age.
- d. Yes, but you need to examine the firing device by removing the CO2 cartridge to determine it has not been used.

2. On ANSC 7003, if the boat is not trailerable, do all owners have to initial?

- a. Yes
- b. No
- c. No, only one owner
- d. Initials are not required

National News

- **There** is a link listed on the D11NR Vessel Examiner (VE) website:

<http://rbsafety.d11nuscgaux.info/ve/recognition.html> under "**HOTLINE MESSAGES**" for the new **not mandatory** 2019 Vessel Examiner Workshop. This is a good 15-minute review and most importantly slides 19-23 refer to the new PFD labels/icons. Please take a few minutes either at home or at a flotilla meeting to review this important new information.

District News

-On January 2019, our Vessel Examiner (VE) active database dropped to 139 active examiners, with **141** in REYR. The active total is approximately 8% of our D11NR membership.

-**Please** pass the word that there will be a brief Vessel Examiner (VE) workshop at D/Train from 1315-1400 in TETON Room 1 that will cover accessing information from AUXINFO.

-**Just** a reminder, per the 2015 Vessel Examiner (VE) workshop, paddlecraft VSC's DO **NOT** count toward the initial VE qualification or requalification. The VSC may be performed a sailboat, powerboat or PWC.

-**For** Coast Guard liability insurance purposes, **PRIOR** to leaving the house for **ANY** VSC activity other than to participate at an organized station, **PLEASE** remember to notify a member of the flotilla leadership (FC, VFC, and FSO-VE) of your planned activity.

The notification could be in the form of an email, text message or a phone call. In the unlikely event of an incident, be prepared to provide proof of the notification. In addition, per the new VSC Manual please remember, you also need to be in uniform and if boarding a vessel you need to be wearing a lifejacket.

-**PLEASE** do NOT wear boots to climb aboard a vessel to perform a VSC. Our program allows for deck shoes, white or black tennis/walking with soft soles. If this is not an option, please consider purchasing disposal shoe/boot covers available at any the paint or hardware dept. at Wal-Mart, Lowes, Home Depot, etc, a package of 6 for under \$10.

-**VSC's ON RENTALS**-At the request of Commodore Collins, to maintain uniformity in the VSC program, moving forward, **ALL** VSC's for rental agencies that rent pwc's, fishing boats, houseboats, paddlecraft, etc. will now require a D11NR Rental Agreement with the dealer. This program is relatively simple, straightforward, and is self-explanatory. You can find a copy of the instructions (ML-1), a sample introduction letter (ML-2), and a copy of the agreement (ML-3) on the D11NR Vessel Examiner (VE) website:

<http://rbsafety.d11nuscgaux.info/ve/ve.html> under "**VE FORMS**". These are done in Microsoft "Word" and you can tailor them for your individual needs. Please note that to participate in this program, a Program Visitor (PV) is required. However, if you are a Vessel Examiner (VE) and a current Program Visitor (PV), you can fulfill that requirement. Please print (2) copies-one for you to keep after signed by the vendor, and one for the vendor to keep after you and the Program Visitor (PV) have signed it. You should maintain your copies for the calendar year.

-**A special request** from the Director's office; **PLEASE** have the qualifying members 7038 with the 5 VSC's entered into AUXDATA by the FSO/SO-IS **PRIOR** to submission of the MT-2 to the Director's office.
