Commodore: Mary Kirkwood:

Accomplishments

Division 12 and 3 (Pat McSwain, Tommy Holtzmn, and Linda Haynes) prepared lasagna, garlic bread, salad and dessert for Station Rio Vista, making sure there were leftovers.

Six AuxFSs (Bobbi Kamil, Wayne Pero, Nacny Holtzman, Doug Manifold, Linda Haynes, Tommy Holtzmn and Jasmine Shepard) worked together to create many different appetizers for the Commodore's reception. Tommy did a great job on his ice sculpture.

Future Plans:

Division 3 and 12 will be working on a meal for Station Rio Vista during the month of April.

The Operations Training Officer of D11N has requested that AuxFS cook and serve at his retirement party in May.

Air Station San Francisco has requested that AuxFS cook and serve at their Change of Command in June.

Need to work on:

Need to figure out how to get more AuxFS help at our events.
