As you can see from above, we have a lot of training going on. It appears that we are going to have new VE's, PV and leaders.

**Reminder that anyone that joined as on February 1, 2018 must complete the BQ II before they can move out of AP status.**

**5 CORE training classes need to be repeated so watch your training roster to make sure you complete in time.**

Great Job on getting the training done and being ready to support all the areas of the Auxiliary.

2. RM 2.0

About all members need to complete the Introduction to Risk Management on AUXLMS. On-line must be completed by **April 30, 2019**. Class room needs to be completed within 15 months of completing the on-line training. This is being worked to support all divisions.

4. Updated 2019 C-School schedule can be found:

This was just updated this week. On the National DSO call tonight, it was mentioned that if you attended AUXLAM over 3 years ago that you can go again as you will potentially learn something you missed the first time around.

Respectfully submitted
