District 11N DSO-PV Report for the month of April 2019

National Safe Boating week will soon be here. Its safe boating information is key to boaters returning off the water with out a mishap. Let’s make sure that they have that info at their fingertips.

The first column in the table (below) is new and shows the number of visits reported to the SO-PV and the second column if from Auxdata via Auxinfo. The challenge is getting the two to match via reporting via form 7046. We need to encourage our visitors to report their visits.

Reported via AuxInfo

Thank you to the SO-PVs who sent in a report. Division 8 reports that they added one new Partner Visitor and have one just needing to do the needed visits, Bravo Zulu. Keep up the good work of supporting your members in the Partner Visitation program.

Century Club Members Congratulations to the following members who completed 100-plus PV Visits in 2018 or 2019:

We have our first three members who done a hundred partner visits or more this year! Wow, that is great work and dedication, Thank You.

The symbiotic relationship between PV, VSC, PE and PA strengthens all four of these core tasks. We Program Visitors are key to informing the Boating Community on everything from basic safety on the water to better methods in maintaining Situational Awareness. We pass training opportunities and interact in many other informative ways, limited only by imagination. ANY suggestions you may have to improve or sustain our program send them to dso-pv@d11nuscgaux.info

Respectfully Submitted.
