Subj: July 2019 D11NR DSO-PE Report

Challenges: Still no SO-PEs officially posted to Divisions 7, 8, and 12

Instructor quals and requals: Debroah Bernard (Flotilla 33) and Robert Bain (Flotilla 57)

Training Highlight: At the request of some members from Flotilla 05-01, we put on an ad hoc class on how to teach “A Paddler’s Guide to Safety”. Alfred Wootten and Evelyn Baylen of Flotilla 05-01 and Dr. Matilda Rivera from District 14 attended the 90-minute course, which was held at UC Berkeley’s Faculty Club.

If your division or flotilla would like a bespoke class on how to teach “A Paddler’s Guide to Safety” or any of our other PE courses, please reach out at sean@auxgoldengate.org.

Measurement against stated goals:

PE Goals	2018 Total	2019 Goal	Current
# PE courses	74	90	43
# Paddlecraft courses	2	10	3
# Flotillas who offered at least one PE course	20	25	16
# Active instructors	151	193	169

Overall PE stats:

If your flotilla or division has completed a PE course that is not showing up on the chart below, please let us know at sean@auxgoldengate.org. We have experience working with instructors, PE officers, and IS officers to figure out why some flotillas are not getting credit for their hard work. It’s usually that the instructor is not completing the final (or only) 7030 for the course properly or that the IS officer is properly making an “EOC” (end of class) entry on the Activity Log in AuxData.
