Ferry Boat Exam Status:

ADSO Steve Johnson and ADSO Michael Mitchell have compiled the list of Auxiliary Ferry Boat Examiners to Sector Prevention. Sector has contacted the Ferry Boat companies to update their list of available ferry's to be included in this first round of examinations. . The Ferry Boat Examiner Class scheduled for the upcoming PCA fair to go over the outreach/examination results and protocols for all ferry boat examiners has been canceled by Sector as they still have more work to do on the ferry boat policies.
