**Measurement against stated goals:**

PE Goals	2018 Total	2019 Goal	Current
# PE courses	74	90	56
# Paddlecraft courses	2	10	3
# Flotillas who completed at least one PE course	20	25	20
# Active instructors	151	193	176

**Overall PE stats:**

If your flotilla or division has completed a PE course that is not showing up on the table linked to [here](#), please let us know at [sean@auxgoldengate.org](mailto:sean@auxgoldengate.org). We have experience working with instructors, PE officers, and IS officers to figure out why some flotillas are not getting credit for their hard work. It's usually that the instructor is not completing the final (or only) 7030 for the course properly or that the IS officer is properly making an "EOC" (end of class) entry on the Activity Log in AuxData.
