Serving Northern California, Nevada, Utah

Date: October 8, 2019

To: COMO Kirkwood, DCOS McFarren, D11NR Board and Staff Members

From: Robert Vanderhyde, DSO-CM

Subj: Staff Report - October 2019

Highlights

- ◇ SF VTS Repeater Use
- ◇ PCA Fair Class
- ◇ ACV PA Event

Details

- ◆ Port of San Francisco Vessel Traffic Service has finished using the D11nr Mt. Diablo VHF repeater and returned control to the Auxiliary. VTS used our repeater for approximately three weeks after their repeater failed.
- ◆ The Communications class at the fall PCA Training Fair was well-attended and apparently well-received as indicated by interaction and comments.
- ◆ ADSO-CM Peter Todebush and Paul Crum took the ACV to the Hayward Airport for an aviation Public Affairs event. CGAUXAir's Greg Olsen served as the PA Officer.

Future Events

- ❖ AUX HF stations in all of D11 and D13 are expecting to start taking an active part in exercises to assist active duty resources in the use of high frequency communications and practicing their skills. Included are Pacific Area and District 11 Commands, aircraft, and surface facilities. We are looking forward to the opportunity.
- ❖ Spring 2020 PCA Fair

Respectfully Submitted,

Robert Vanderhyde

DSO-CM, District 11NR
