IM Staff & Goals 2019

ADSO/Deputy - Alan Stanton
ADSO Bryce Leinan
ADSO Nikolay Zhrebnekov

Goals this year:

1. Refine and continue Everbridge drills
2. Explore/facilitate initial ICS position training - e.g. Staging Area Manager, resources unit, situation unit, PIO, etc. **[ON hold pending guidance from Q Directorate].**
3. Formulate D11n AUXIMT (incident management team) plan, recruitment, training. **[ON hold pending guidance from Q Directorate].**
4. Encourage participation in any available gold side exercise.

Asst EPLO Work

The EPLO for D11 has transitioned from CDR Teresa Peace to LCDR Steve Neal. I met at CGI with LCDR Neal and D11 gold side staff on SEP 24-26 for orientation. I did present the AUX as a surge capacity for the District as the opportunities presented. There appears to be a growing recognition of the use of AUX in more disaster applications; it has yet to manifest in specific requests but I remain optimistic.

Sector San Francisco COOP

As reported by COMO Connell, the Sector SF COOP has been published and D11n AUX are listed as a resource in the areas of Communications, Surface Transportation and emergency lodging. Any and all needs would be requested via the Auxiliary Sector Coordinator.
