HIGHLIGHTS

- Answered questions from division and flotilla staff IS officers
- Set up and reset READ ONLY AUXDATA access for members at request of IS officers
- Forwarded information to SO-IS's and FSO-IS's from National IS staff
- Sent any requested reports to DCO and staff officers
- Information Services Officers continue to update AUXDATA with information from form 7028 completed by members. Robert Aston continues to monitor member input to Skills Bank. (See Status Report at end of this report). If members have not updated their information in AUXDATA, please encourage them to do so.
- Rob Firehock will work to update our page on District Information Services website.
- **If you are interested in training to become an Information Services Officer, please let me know, so I can send you materials and arrange a mentor for you to prepare you for the class. (Some mentors include Marilyn McBain, Rob Firehock, Pam Berger and Robert Aston).**

AUX 10 Class Dates:

January 18-21, 2020. Send your **new ANSC 7059 (10/19)** to DSO-IS ASAP. There are limited spaces available in the class.

- **All FSO-IS or SO's should run the Training Management Report for their flotilla each month.** A hard copy can be taken to flotilla meeting and/or emailed to members. This enables members to check the status of their certifications to see if there any problems. It is difficult and sometimes impossible to "fix" things when DIRAUX is notified months or years after any problem has occurred.
- **AUXCT-Core Training**. Some classes taken in 2014 need to be repeated in 2019. (NTC)
- **BQC II** – needs to be taken before the end 2019, by all members who enrolled after February 1, 2018. (AUXLMS)
- October 23, attended DSO-IS webinar, and sent notes from meeting to Information Services team.
- Continue to work with Marilyn McBain, past DSO-IS to learn more about the position
- Continue to provide Administrative Assistance at DIRAUX one day each week
- Let me know if there is other information you would like me to include in reports.
