**5 CORE training classes need to be repeated so watch your training roster to make sure you complete in time. Link to complete is at the following location: <http://wow.uscgaux.info/content.php?unit=T-DEPT&category=core-training>**

Great Job on getting the training done and being ready to support all the areas of the Auxiliary.

2. RM 2.0

Included in the email is an Excel file that has a complete listing of all the members. There is a tab for each division showing who has completed as of November 10, 2019. If you have taken more than once, I have changed in the report to show only once for calculations. Please review and if there are any issues, please let me know. Link to complete RM 2.0 for those still needing: <http://wow.uscgaux.info/content.php?unit=T-DEPT&category=risk-mgt>

3. Updated 2019 C-School schedule can be found:

This was just updated this week. On the National DSO call tonight, it was mentioned that if you attended AUXLAM over 3 years ago that you can go again as you will potentially learn something you missed the first time around.

4. Elected Officers Training

- a. Please send those elected (new or re-elected) to me as soon as possible as we are working the training for this coming weekend if you have not done so already. I am finishing getting the presentations from the instructors and will be ready for training this weekend.

Respectfully submitted
