## **District 11N DSO-PV Report for the month of October 2019**

As we head towards the end of the year, we need to have every Partner Visitor to send in their 7046 to their IS officer. There are far more visits done than have been inputted in to Auxdata. You do not need to wait until the form is full, monthly would be ideal and with Changes of Watch coming up, those numbers will be used for awards too.

Stock up your displays now so that if you get caught up in the Holidays rush, your displays won't miss you too much. Take a look at the Auxiliary National Supply Catalog at <https://www.uscg.mil/Portals/0/OurOrganization/auxiliary/publications/misc/DCAT.pdf>. You may find something that meets what boaters in your area need.

### **Division Highlights**

Special shout out to SO-PV Bryan Tokumoto Div 01, Tommy Holtzman Div 3, Ronald Nathan Div 5, and William Hale Div 8 for sending a report every month. Believe it or not, those reports are used and appreciated.

**Century Club Members** Congratulations to the following members who completed 100-plus Partner Visits. Welcome *Karensue Galvin, John Guaraglia, and Phil Mammano* to the Century Club list! Thank You for your partner visits.

The first column in the table (below) is new and shows the number of visits reported to the SO-PV and the second column if from Auxdata via Auxinfo. The challenge is getting the two to match via reporting via form 7046. We need to encourage our visitors to report their visits.

*ANY suggestions you may have to improve or sustain our program send them to [dso-pv@d11nuscgaux.info](mailto:dso-pv@d11nuscgaux.info)*

Respectfully Submitted.
