<http://wow.uscgaux.info/content.php?unit=aux00>

This was just updated as of January 6, 2020. On the National DSO call last week, it was mentioned that if you attended AUXLAM over 3 years ago that you can go again as you will potentially learn something you missed the first time around. There are less classes being offered so if listed and you would like to attend, submit your request sooner than later.

4. D-train

Class schedule is out and I have attached again as a change was just made this morning. Thank you to all the instructors.

Respectfully submitted
