District 11N DSO-PV Report for January 2020

We have four new SO-PVs this year on our team, welcome Jim, Randy, Roberto, and Tony to Team PV and thank you for serving as the Program Visitor officer in your division. To Brian, Ronald, Peter, Carl, and Bill, thank you for continuing to your service.

Please let your members know that they can still turn in the work they have done for 2019. It is not too late and these can be used for D-Train awards too.

First month of year is traditionally slow as far as reporting activity. Last year data is still changing as PVs send in their form a7046. Last year as a District we did not meet our goal of 2% increase of visits but we came very close though some division did surpass that goal by a 1000%. It is amazing how the efforts of one member can make such a big difference as it did in some of our divisions.

This year our District goal will be 2% increase from 2019. To accomplish this, all we need is one or two members in each division to be added to Team PV or current PVs who have been not as active to give a little more time to doing visits.

DCDRs, please encourage and support your SO-PVs in their efforts to build Team PV and as they support the Program Visitors in your division. It will be worth your effort.

Division Highlights

Divisions 4, 5, 6, 8, and 10 have already been out and visiting their Partners and getting it recorded into Auxdata. This is a great way to start out the year. Let continue this great start.

Century Club Members Congratulations to the following members who completed 100-plus Partner Visits.

The first column in the table (below) is new and shows the number of visits reported to the SO-PV and the second column if from Auxdata via Auxinfo. The challenge is getting the two to match via reporting via form 7046. We need to encourage our visitors to report their visits.

ANY suggestions you may have to improve or sustain our program send them to dso-pv@d11nuscgaux.info

Respectfully Submitted.
