From: Paul Custance, Division 7 Commander

Division: 113-07

HIGHLIGHTS:

1. Meetings and classes canceled due to covid-19
2. Earthquake magnitude 5.7 magna Utah 03-18-20
3. Crew and coxswain webinar training
4. NSBW

DETAILS:

1. Meetings and classes canceled due to covid-19: For the month of March three of our flotilla has canceled their flotilla meetings due to covid-19. only flotilla 76 held a meeting in the month of March All Flotilla commanders have been given access to the district 11 North go to webinar site so they may hold feature flotilla and training meetings via webinar during this coronavirus closures.
2. Earthquake hit Magna Utah 14 miles from Salt Lake City on March 18th approximately 7:10 in the morning at a magnitude of 5.7 with a number of aftershocks afterwards. Sent out an everbridge alert to our members for a welfare check. We've got a 71% to respond. We had the Flotilla commanders contact those who did not respond. we're satisfied that all members are in good condition and that the earthquake did not pose a significant Hazard to our members. I want to thank Mary Kirkwood, Wally smith, and Bruce Martin for assisting us with the everbridge for our division. It's a Wonderful asset to have.
3. Crew and coxswain webinar training: Our division will be holding a crew in coxswain training via webinar on April 16th will be covering the operation training and state specific issues with regards to operations
4. (NSBW)National safe boating week we have selected a chairman for National safe boating week that is **Tony zocchi** he is working with a number of members to come up with activities for National safe boating week such as boating safety classes, vessel safety checks, and a public affairs activities, were also trying to get the word out to the local cities to promote National safe boating week with in their cities.

CHALLENGES/OBSTACLES
