

Communication Services (CS) Report March 2020

U. S. Department of
Homeland Security
United States
Coast Guard Auxiliary

Communication Services
District 11 Northern Region
Supporting Utah, Nevada,
and Northern California

IN THIS REPORT:

- WoW Webmaster stepping aside
- Host server space issues
- Domain name secure

REPORT DETAILS:

DSO-CS

Mart Gardner is taking on a new role in the CS world. Effective 01 APR 20 Mart will take on the role of ADSO-CS and BK Barr will switch into the DSO-CS role. We appreciate Mart's years of dedicated service!

SPRING CLEANING

As Mart mentioned in his last report the disk space we have on lhMotions machine is limited to 75G of file space. We are running at 67G with is about 90% of capacity. This situation causes the backups to fail.

The situation has been discussed with COMO Kirkwood. When the quotes come back from the hosting service we can decide on how to best allocate our resources.

DOMAIN NAME:

The bill for our internet domain name has been handed off to David Wright for processing.

End of District CS Team Report
Respectfully submitted,
BK Barr, ADSO-CS/DP
