District 11N DSO-PV Report for February 2020

Not a bad month for Program Visits. Every division but three had visits recorded in Auxdata and that is a great thing since reporting is one of the toughest parts of being a Program Visitor. Bravo Zulu.

With shelter in place in effect now, PVs are strongly encouraged to follow the health safety guidelines set forth from their local Health Dept and the Coast Guard about COVID-19. I will be setting up an online PV training for all members who would like to work on becoming a Program Visitor, time and date coming soon. The Program Visitors manual and test are online. This is a great way to still be active in the Auxiliary and stay with in the shelter in place guidelines.

The first column in the table (below) is new and shows the number of visits reported to the SO-PV and the second column if from Auxdata via Auxinfo. The challenge is getting the two to match via reporting via form 7046. We need to encourage our visitors to report their visits.
