IM Is Now EM

Just as CG Active Duty and National (Q Directorate) have done, Incident Management has been re-designated as **Emergency Management & Disaster Response (EM)**.

EM Staff & Goals 2020

ADSO/Deputy - Alan Stanton
ADSO Bryce Leinan
ADSO Nikolay Zherebnenkov

1. Refine and continue Everbridge drills
2. DSO-EM to meet with Sector, District and Area ICS Coordinators to market ICS/Contingency Planning/EM services of AUX. Also TC Petaluma and Pacific Strike Team.
3. Explore/facilitate initial ICS position training - e.g. Staging Area Manager, resources unit, situation unit, PIO, etc.
4. Encourage participation in any available gold side exercise.
5. Meet with new ASC Sue Fry to continue ASC-EM relationship

Asst EPLO Work

Interacted with D11 staff re availability for coverage during COVID event. Could be a virtual or physical assignment to FEMA RRCC or State SOC. Maintained SA with IMPA and EPLO.

Two D-Train Courses

There were going to be two EM related courses at D-Train, thinking about doing them via a webinar:

(1) **ICS Your Optrex** - We will put your existing OPTREX plan and staff into the ICS planning process and forms. You will leave with a draft Event Action Plan - sure to impress you USCG and other agency cooperators!

(2) **ICS Success Strategies for D11N** - A brief review of USCG ICS use, and how you can position yourself to acquire and be used in an ICS qualification

DSO Updates

Q Directorate is holding more frequent DSO-EM update calls. Generally, situation updates and leaning forward on how new AuxData may help districts access AUX ICS qualified members more readily.
