District 11N DSO-PV Report for March 2020

Like most of the other Auxiliary missions, program visits were greatly affected by the COVID-19 pandemic.

With shelter in place in effect now, it is a great time to refresh our knowledge of the Program Visitor mission. Below are links for such studying and refreshing. Members not yet in the PV program, can start studying and take the online test. There will also be a District webinar class in the near future that all can attend. I will even make it fun!

Division Highlights

Division 7 recorded their first 11 visits and Division 11 with their first 18, that is great for the cold weather divisions. Division 8 up by 60 and Division 5 added a whopping 160 in just the first part of this month. All the other division increased their visit too except a few of them.

Century Club Members Congratulations to the following members who completed 100-plus Partner Visits. Wow, Congrats Gary for getting over 100 visits before the COVID-19 shelter in place and the first PV on the board!

The first column in the table (below) is new and shows the number of visits reported to the SO-PV and the second column if from Auxdata via Auxinfo. The challenge is getting the two to match via reporting via form 7046. We need to encourage our visitors to report their visits.
