DSO MS Missions

Ferry Boat Exam Status:

Commander Rivera has approved the Ferry boat program materials and has allowed the trial period for Ferry Boat Outreach to start. Aux Michael Mitchell has prepared the

No Cost Orders Paperwork which should go out shortly. Based on the COVID -19 standing orders issues, the exam hopefully should start in mid May

Commercial Fishing Vessel and Uninspected Passenger Vessel Examinations.

Sector has approved "Virtual" Commercial and UPV Exams to be conducted by approved examiners. We cannot use ZOOM, for security issues, but can use Google Duo or Face Time apps. This timing could have been better as both commercial and recreational salmon and ground fisheries opened up on May 1. So far we have received over 12 requests for CFV and UPV exams. UPV operators cannot take on passengers until the state 6 foot social distancing is lifted.
