Subj: June 2020 D11NR DSO-PE Report

Online Courses: Remember, we have NASBLA and E Directorate approval to offer the ABS and BS&S courses in California online, with online testing, on the condition that the course start on or before June 30. Remember, we are always authorized to offer all of our other PE courses online. Information on training opportunities for teaching online courses and administering online tests has been distributed to all SO-PEs and FSO-PEs. We now have the ability to administer the required end-of-course exams using Google Forms. Please reach out to your unit's PE officer with any questions.

AUXDATA II: Working to develop PE reports for the district, division, and flotilla levels. We understand that report templates can be shared and customized for each unit level. Once these are finalized, we should also be able to use the export function from AUXDATA II to easily import helpful charts and graphics into these monthly reports.

Help Wanted: The PE department is looking to fill the following ADSO role:

- ADSO-PE-MK: Act as a district-level resource for assisting in marketing PE courses.
