5 CORE training classes need to be repeated so watch your training roster to make sure you complete in time. Link to complete is at the following location:

Great Job on getting the training done and being ready to support all the areas of the Auxiliary.

2. RM 2.0 / TCT Refresher

TCT refresher as we all has been authorized to be taught via a webinar with a limitation of 12 members. I am aware of a class on July 11th being done with Mike Rafatti at 8 am. This will be listed on the district calendar. Please have your members sign up with him as again there is a limited class size.

TCT instructor are as follows:

Tommy Holtzman
Wil Sumner
Mike Williams
Mike Rafatti

Curtis Han
Wally Smith
Mike Maddox
Angelo Perata

Bill Stolz
Virginia Luchetti

Bob Coakley

Please contact any of them to work with your members to get the TCT refresher completed.

3. Updated 2020 C-School schedule can be found:

<http://wow.uscgaux.info/content.php?unit=aux00>

This was just updated as of January 6, 2020. On the National DSO call last week, it was mentioned that if you attended AUXLAM over 3 years ago that you can go again as you will potentially learn something you missed the first time around. There are less classes being offered so if listed and you would like to attend, submit your request sooner than later.

4. District Training Calendar

Updated calendar was sent out recently. Additional classes will be added. Keep reviewing the calendar on the district site for updates. There are some trainings being offered daily and repeated. Will continue as needed. IF you have any suggested classes, please let me know and we will work to get them scheduled.

Respectfully submitted
