Subj: July 2020 D11NR DSO-PE Report

**Course Data for the COVID-19 and AUXDATA II era:** AUXDATA II doesn't quite yet work fully properly for capturing and reporting PE data, but with some assumptions and manual calculations, I think we have the following course statistics for D11NR since the shutdown order on March 13:

PE course completions:	07
PE enrollees:	81
PE enrollees under 17:	06
PE graduates:	62
PE graduates under 17:	06

**ABS is now Boat America!** AUXCEN has finally run out of ABS materials and so is now selling Boat America. Boat America is much cheaper than ABS was: \$35.92 buys you textbooks, exams, certificates, etc. for ten students. There is also a DVD available for \$28.89 that has a 3-5 minute video for each of the 15 chapters.

**Online Courses:** We have NASBLA and E Directorate approval to offer the Boat America and BS&S courses online, with online testing through Google Forms, on the condition that the course start on or before September 30 for California or August 31 for Nevada. Remember, we are always authorized to offer all of our other PE courses online. Please reach out to your unit's PE officer with any questions.
