District 11N DSO-PV Report for June 2020

COVID-19 health regulations continue to be in place and thus no Program Visitor activity to report.

Division Commanders, please go online and look at the Program Visitors program so that you can be familiar with it as leader of your division. Encourage your membership to do the same and they can read the manual and then take the open book test online. There can never be too many Program Visitors.

The first column in the table (above) shows the number of visits reported to the SO-PV and the second column if from Auxinfo. The challenge is getting the two to match via reporting via form 7046. We need to encourage our visitors to report their visits timely.

Century Club Members Congratulations to the following members who completed 100-plus Partner Visits. This is still a Wow, that Gary got over 100 visits before the COVID-19 shelter in place!
