FROM: Larry Olson, DSO-AV
SUBJECT: AuxAir Monthly Report for July 2020.

Well, there is not much to report for auxair for this month. Pilots are doing some flying in order to maintain currency. We have had a couple of conference calls involving national and other districts. Doug Kerr continues to work with Anita and others on the new AUXDATA II system. We, also, continue to maintain contact with our Air Station and continue to work on PPE. We are all anxious to get back to work and fly support missions for the Coast Guard, the Auxiliary and our allied agencies.

Respectfully submitted,
Larry Olson
DSO-AV
