All classes have been cancelled through the end of the year. I will let you know as soon as something changes.

4. District Training Calendar

Updated training calendar will be sent out next week. Included in this email is the calendar again and giving this group an insight to what is coming up. We have classes scheduled for 3 to 4 night a week for the next 3 weeks so far. If you have any suggestions or would like a class that has been taught earlier this year, let me know and I will work to see if we can make it happen. Thank you to Commodore Maddox, Commodore Smith and Pam Berger for your support this past month. TCT refresher on August 24th has 5 slots still available.

Reminder, Ops Workshop and TCT Refresher was extended to September 30th to be completed from earlier in the year. Time is coming and we will be working to schedule additional classes for those that need these classes before that date. Work with your members to make sure they don't miss the opportunity.

Respectfully submitted
