Subj: August 2020 D11NR DSO-PE Report

July and August course data:

PE course completions:	02
PE enrollees:	32
PE enrollees under 17:	00
PE graduates:	31
PE graduates under 17:	00

Highlights from Division Reports: Division 3 held a second training on how to hold distance PE/MT classes. Two flotillas in Division 5 took inventory of their PE course materials.

Boat America and ABS: Flotillas are starting to offer Boat America, which is great. Remember that ABS remains a NASBLA-approved course through the end of the year and continues to be an Auxiliary-approved course until materials are used up. If your flotilla has more ABS materials than it would like to have, please reach out to our team via sean@auxgoldengate.org to see if we can get them to a flotilla that would like conduct an online ABS course before the end of the year.

Online Courses: We have NASBLA and E Directorate approval to offer the Boat America and BS&S courses online, with online testing through Google Forms, on the condition that the course start on or before September 30 for California or August 31 for Nevada. Remember, we are always authorized to offer all of our other PE courses online. Please reach out to your unit's PE officer with any questions.

If you would like have a member of your district PE staff conduct a training for your division or flotilla on conducting online PE courses, please reach out at sean@auxgoldengate.org. Or, you may also conduct one on your own using the materials available here: <http://wow.uscgaux.info/content.php?unit=E-DEPT&category=WHATSNEW>
