District 11N DSO-PV Report for July 2020

COVID-19 health regulations continue to curtail our activity. With Phase 1 in place, we have had some divisions report PV activity. Division 1 reported 10 visits and Division 5 reported 1 visit. This is good to see some activity. Plan to send out an email to all PVs with instructions on how to go about doing visits within the guidelines that DirAux has given.

Division Commanders, continue to encourage your membership through your SO-PV to read the Program Visitor manual and then take the open book test online. This is one of the missions that counts toward being eligible to be an elected officer. There can never be too many Program Visitors.

The first column in the table (above) shows the number of visits reported to the SO-PV and the second column if from Auxinfo. The challenge is getting the two to match via reporting via form 7046. We need to encourage our visitors to report their visits timely.

Century Club Members Congratulations to the following members who completed 100-plus Partner Visits. This is still a Wow, that Gary got over 100 visits before the COVID-19 shelter in place!
