

U.S. COAST GUARD AUXILIARY

Eleventh Coast Guard District Northern Region
Marine Safety Prevention

TO: COMO Mary Kirkwood
CC: DISTRICT 11NR BOARD AND STAFF
FROM: Wil Sumner, DSO Marine Safety
RE: District Staff Officer, Marine Safety Report, April/May
DATE: September 8, 2020

HIGHLIGHTS

1. Div MS Reports
2. DSO MS Report
3. Summary of Marine Safety Activities

Challenges:

Getting Divisions active in putting on Marine Environmental Protection or Sea Partner programs

Huzzah Huzzah

So Far in 2020, the Marine Safety Team has put in 589 hours in Marine Safety Training, This number already exceeds our Marine Safety Training numbers for 2019 (573). This is due to all of the SO-MS and FSO-MS officers that have taken the time to get the word out on the value of the MS Training and quality of the programs.

Division MS Report Highlights:

Division 1, 3, 5, & 6 have all expressed interest in conducting Beach Cleanup activity as civilians in September. Hopefully, all participants will use the Clean Swell App to register their activity and use the proper group name USCGAUX-membertext so we can capture their activity.

DSO Activities

DSO MS from both D11NR and D11SR worked on the beach cleanup procedures and received approval from National Prevention plus DIRAUX for Aux members to participate as civilians. By participating and keeping records of their time and activity those members may get retroactive time and credit for this activity

DSO-MS has edited the Introduction To UPV powerpoint and sent onto National Prevention for review

Sea Partners

Coastal Cleanup for September 2020--Instead of having one, big-group coastal cleanup day, this year the 2020 Coastal Cleanup is happening *every Saturday in September*. For more information, and how people can participate, follow this link: <https://www.coastal.ca.gov/publiced/ccd/ccd.html>

Commercial Fishing Vessel and Uninspected Passenger Vessel Examinations.

In talking to Sector SF Prevention, Manny Rameriez concerning Operation Crab Safe, typically done in October, we are making plans to see if this can be done by physical exam, similar to the VE exams.

There are expanded efforts by the Coast Guard to enforce UPV registration and licensing. Both District 11 and District 13 have sent out announcements on their enforcement activity. Auxiliary UPV examiners through virtual outreach efforts can assist in the prevention aspects of this activity.

SAN FRANCISCO — The Coast Guard terminated the voyage of an illegal charter vessel operating near Emerald Bay in Lake Tahoe, Sunday.

SEATTLE---Coast Guard halts illegal charters on Lake Washington, Lake Union

Marine Safety Training for 2020

In addition to the MEES, MSAM, HAZWOPER, SCAT and UPV classes provided so far in 2020, the next class bring constructed will be the Sea Partners Class. Currently Debbi Johnson, DSO MS in D11SR has taught this class at NACON and is available to teach this class to D11 NR. Ms Johnson is currently updating her material for this class.

Dock Walker'/Oil Spill Response Training

DBW is offering an online Oil Spill Response Training on September 10.

The sign in process is as follows:\

1. Please register to one of the virtual trainings mentioned above by emailing Vivian Matuk at vmatuk@coastal.ca.gov and let us know to which training you want to register. Please include your name, organization (if applicable), address and phone number.
2. Once we receive your registration, we will be sending you the Zoom invite information link and easy to follow instructions and some additional files.

Abandoned Derelict Vessel

ENS Jason Davis has announced that the next ADV workgroup meeting will be held as a virtual meeting on September 23 at 10:00 am. If interested in attending, please let me know and I will forward the invitation.

Marine Safety Activity, Summary for	2019	2020
