Highlights from National: The national E directorate recently held a one-hour training on conducting courses online. Kit Galvin, Flotilla 53, attended.

Boat America and ABS: We have some flotillas with extra ABS materials. So if your division or flotilla is looking to put on an ABS course and needs materials, then please email our team at sean@auxgoldengate.org so that we can connect you with one of these flotillas. If your flotilla has more ABS materials than it would like to have, please reach out

to our team via sean@auxgoldengate.org to see if we can get them to a flotilla that would like conduct an online ABS course before the end of the year.

If you would like have a member of your district PE staff conduct a training for your division or flotilla on conducting online PE courses, please reach out at sean@auxgoldengate.org. Or, you may also conduct one on your own using the materials available here: <http://www.uscgaux.info/content.php?unit=E-DEPT&category=WHATSNEW>
