District 11N DSO-PV Report for September 2020

We still are having very little activity in the Program Visitors mission. Division 7 is now on the chart with 7 reported visits. Thank you Carl Henning for gathering info pre-COVID and sending it in. This is a reminder that it is perfectly OK to retro report visits that were performed prior to the COVID pandemic, please let your Program Visitors know this so they can get the recognition that they deserve.

The first column in the table (above) shows the number of visits reported to the SO-PV. Note that the Auxinfo has been stagnant since the switch to AuxdataII. The challenge is getting the two to match via reporting via form 7046. We need to encourage our visitors to report their visits timely.

Century Club Members Congratulations to the following members who completed 100-plus Partner Visits. This is still a Wow, that Gary got over 100 visits before the COVID-19 shelter in place!
