Re: ASC-SF Activity Report

Activities

- Communications with AUXLO, Lt Cruz and trainee ENS Connell
Lt Cruz reports Sector is working on possible additional Auxiliary activity. This is TBD.
- Attended Sector SF virtual "Call Hands meetings on Fridays in December.
- It was announced that CAPT Byrd will be retiring in June 2021.
The prospective Sector Commander is CAPT Taylor Q. Lam who is currently completing a Fellows Program at Harvard.
- Also retiring is CAPT Wright. His retirement is scheduled for mid-March 2021.
Sector's prospective Deputy is CAPT (sel) Jordan M. Baldueza who currently serves as the Response Department Head at Sector Houston-Galveston.

Truly terrific things have been heard about both of these senior leaders and Sector is looking forward to welcoming them both to their Team

- Operational activities continue in NS, CM, Ops. Call out activity with CM for the Bleed Beach drownings.
- SAR activity at Sector remains high.
